

## ATTENDANCE SHEET

Submitted by: C. Arevalo

Date: ~~230201~~ 230103

### ACTIVITY

- \* Orientation regarding the encountered flow out of bursting.
- Discussed about the proper standard procedure on doing approved sample on diecut.
- Highlighted that Diecut-QA In-charge must strictly follow the standard procedure.
- Issuance of NTE was given to the in-charge due to his wrong approval on the item that causes mass rejection of bursting.
